### Happy Holidays!!

Another year is winding down and we have used a few key words to sum up 2008. The first would be weird. The lake fishing last season was nothing but weird. Currents, wind, weather, temps, the bite, all weird. When it was all said and done, the fish were there, it was just weird. We will leave it at that.

River fishing, the word was and is phenomenal. The best ever. We will leave it at that. What will 2009 bring? The word is unknown, and so again we will leave it at that. You will have to come up and fish to find out.

### **Be one of the Chosen Frozen!**

If you were unable to get up this Fall or if you just can't get enough, we are once again offering our Winter Special to all of our regular guests. Book two days from December 15 to March 15 and pay for one. Yes, that is two days of fishing for \$400.00.

Call us now and be part of the Chosen Frozen!!

### **More good news.**

Although we had an increase in our river fishing rates for 2009, (the last one we had was in 2006), lake charter rates for 2008 will remain the same.

Remember if you lock in your 2009 river dates with a deposit, by January 31st, you will be charged the rate of \$350.00.

### **High Adventure Gift Certificates!**

We are offering gift certificates again this year for Lake and river charters and magazine subscriptions. We also have a fresh supply of hats and shirts.

If you haven't been on the new High Adventure, here is picture of her, ready to go.

If you're thinking of some alternative options for your holiday meal, please give Mountain Ash Elk Ranch a call. They have a limited supply of elk meats, including roast for your holiday feast. Shipping can be arranged. For more information, call 315-298-6939 or 315-387-5562 or go to [www.empireelk.com](http://www.empireelk.com)

Shelley and I hope you, your family and your friends all have a wonderful Holiday season and we look forward to fishing with all of you in 2009.
